RS-101

Reference Stereo Amplifier

The RS-101 - Reference Series stereo power-amplifier

Dont be fooled by the identical specifications to its precesor, the RS-100. Like the RS-100 was based on the multi awardwinning RI-100, so is the RS-101 based on the new and seriously updated RI-101.

Taking these products to a new level, is not a task easily overcome, and it has taken our skilled team the better part of the past 3 years to succed. The results however are nothing short of outstanding. Read below some statements from the worlds first review of the new RI-101:

Edgar Kramer, Editor-in-Chief Soundstage Australia states:

“The Vitus Audio RI-101 is a stupendous sonic performer, excelling at the vividness and life of music while sustaining its tonal beauty, midrange purity and exerting tight-fisted control over its prodigious output”

“This is tight, punchy and detailed bass that jumps from the mix while the RI-101 amplifier simply thinks” Is this all you’ve got
